PROFESSIONAL SUMMARY

I am a B.E. CSE student and an aspiring software developer with a strong interest in web development, machine learning, and SQL. I am actively strengthening my technical skills through hands-on projects and continuous learning. Passionate about problem-solving, I aim to grow into a proficient and industry-ready developer.

EDUCATION

Government Model Girls Higher Secondary School, Komarapalayam HSLC - 88% 2022 - 2023

Bannari Amman Institute of Technology, Sathyamangalam Bachelor of Computer Science and Engineering (CGPA : 8.14) 2023 - 2027

PROJECTS

Deep Learning-Based COVID-19 & Pneumonia Detection from Chest X-Ray Images (In-Progress)

- Developing an AI-powered diagnostic framework to classify COVID-19 and Pneumonia from Chest X-ray (CXR) images using Convolutional Neural Networks (CNNs) and Transfer Learning.
- **Tech Stack**: Python, TensorFlow/Keras, DenseNet, EfficientNet, Xception, Grad-CAM

Personal Portfolio Website — Full Stack (In Progress)

- Developing a modern, responsive personal portfolio to showcase my projects and skills.
- Building reusable React components and styling with Tailwind CSS for a clean UI/UX.
- **Tech Stack**: React.js, Tailwind CSS, JavaScript, Git, GitHub

AI Savings Goal Planner – Full-stack / AI Integration (In-Progress)

- Developing a web app that helps users set savings goals and generates personalized weekly/monthly saving plans using AI.
- Implemented AI-powered insights and expense reduction suggestions for better financial management.
- **Tech Stack:** React.js, Tailwind CSS, JavaScript, OpenAI API, Chart.js, Git, GitHub

SKILLS

Programming Languages: Java, Python, C
Web Development: HTML,CSS,JS, React,MySQL,MongoDB
Machine Learning & AI: TensorFlow, Keras
Tools & Platforms: Figma, Canva, Git, GitHub, VS Code, Jupyter Notebook

ACHIEVEMENTS &CERTIFICATIONS

- Web Development Intern — ShadowFox (Virtual) Sep 2025 · 1 Month
  Completed assigned development tasks and delivered high-quality web solutions
  Awarded a Certificate of Completion for exceptional performance
- Participated in 4th National Conference on Recent Advancements in Science, Engineering and Technologies organized by Our Institute.(RASET-2024]
- Participated in Ideathon 2025 – Final Round & Hackspora 2025 – National Level 24-hour Hackathon
- Introduction to SQL – Simplilearn
- Java Programming for Beginners – Simplilearn
- Joy of Computing using Python – NPTEL – 66%
- Programming in Java – NPTEL – 91%
